

TRANSPORTATION SERVICE POLICY

Scheduling A Ride:

We do not offer rides to the general public. We only provide rides for those we serve. Those we serve are picked up from their residence in the morning and brought to The Arc or to their job sites. These individuals are then brought home at the end of the day. This service occurs Monday through Friday between 7:00 AM and 2:30 PM.

Rider Responsibilities:

- Riders are to always maintain orderly conduct.
- Riders are expected to use seat belts and to remain seated while the vehicle is in motion.
- Riders are also expected to treat all other passengers with courtesy and respect.
- Riders are asked to be of help to others whenever possible.

Reason For Denying An Individual A Ride:

An individual cannot be denied a ride on our vehicles as long as they adhere to the responsibilities of a rider. (See above.)

Fare Schedule:

\$2.50 per trip
